Regional Operations Center  
Salt Lake City, UT

# **WEATHER KEY POINTS**

**02/28/21 - 03/06/21**

## **Sunday**

- A moderate to strong Santa Ana wind event will continue across southern California through late Sunday night
  - East-northeast winds of 20-30 mph with gusts of 55-70 mph are expected over the mountains.

## **Monday-Saturday**

- Light precipitation is possible across the state for the first half of next week, but no notable impacts are expected
  - A weather system may bring light rain to southern California on Wednesday, but confidence is low at this time on if and how much rain will develop
